Conference Objectives and Topics

The 8th Pan-Hellenic Conference with International Participation "ICT in Education" (HCICTE 2012) is the official scientific conference of the Hellenic Association of ICT in Education (HAICTE), which aims to address the main issues of concern within ICT in Education and e-Learning.

After the 1st Conference in Ioannina (1999) entitled "Informatics in Education", the Conference has been organised by different Greek Universities: Patras (2000), Rhodes (2002), Athens (2004), Thessaloniki (2006), Limmasol (2008) and Korinthos (2010). The 8th Conference is organised by the Departments of Education of the University of Thessaly.

The Conference will feature invited talks, scientific presentations and panel sessions. All submitted articles will be peer-reviewed for their originality, significance and overall quality, before being accepted for presentation and publication in the Conference Proceedings.
